RESPONSIBLE INVESTMENT

At IPUT, we strive to be the market leaders in responsible investing. Our ambition is to be one of the greenest funds in Europe as we continue to set the benchmark for sustainability in Ireland.

Our Responsible Investment Strategy focuses on three pillars that underpin our ability to make long-term positive impacts on our city.

1 Climate action

- Enhancing the resilience of our portfolio.
- Transitioning to a low carbon economy.
- Continuing to pioneer net zero carbon buildings across our portfolio.

2 Resource efficiency

- Focusing on building longevity.
- Shifting to new and more efficient ways of designing, constructing and operating.
- Promoting circular economy principles to minimise the use of scarce resources and to reduce waste.

3 Social value

- Creating places where people thrive.
- Reaching beyond occupier experience to enhance our economic, social and cultural impact on our city.

Working with our occupiers

We continuously engage with and support our occupiers to help deliver on our shared sustainability ambitions:

- We use our expertise to help our occupiers make cost savings through design decisions and proactive management.
- We include environmental performance clauses in all our leases.
- We use smart building technology to reduce and optimise energy use.
- We enhance occupier experience through our MyIPUT app.
